MEMORANDUM FOR: DA Planning Officers

FROM:

[Redacted]

STAT

DDA Planning Officer

SUBJECT: Military Operations Support

1. The DA has been tasked to provide examples of operational support our Offices have provided this past year to the U.S. Military. This information will be used by the Comptroller at an upcoming Pentagon briefing to members of the CINC Intelligence Program Review Conference. Some Offices may not have provided any support to the Military and a negative response is all that is required. If your Office has provided direct support this year please outline the type of support activity rendered, to whom, and the inclusive dates. The responses should be kept brief.

2. It is requested that you provide this information by COB 15 September. Thank you.
